

Agenda and findings for the fourth Whole School Council Meeting

25th January 2017

Welcome and introductions	Combined notes from meeting
<p><i>Discussion for today</i></p> <p>In two weeks' time we're going to be having a special Maths event, which will be a week filled with hands-on practical maths activities!</p> <p>In today's meeting I'd like you to think about the types of activities you'd really like to have a go at doing but remember they must include an element of maths!</p> <p>Examples could be:</p> <ul style="list-style-type: none"> • Cooking – making your favourite cakes with lots of weighing and measuring • Inventing a game with a maths flavour • Designing a maths trail around the school • Using Maths shapes to make a bridge or tower <p>Your group's job is to come up with as many ideas as you can. Good luck!!!</p>	<p>Many great ideas which I've grouped together for ease of reading.</p> <p><i>Cooking</i></p> <ul style="list-style-type: none"> • Cookie numbers • Dividing cakes between the group • Making boiled sweets • Making pizzas which are then divided • Making biscuits in maths shapes • Icing biscuits with sums <p><i>DT / Art</i></p> <ul style="list-style-type: none"> • Using rolled up newspaper to make 3d structures – which group can make the tallest tower etc • Making board games with a maths theme • Designing maths posters to go around the school with maths facts on them <p><i>Geography</i></p> <ul style="list-style-type: none"> • Making maths trails around the school – create maps and clues and questions which lead to some treasure <p><i>PE / Games</i></p> <ul style="list-style-type: none"> • Time people to get around a circuit • Scoring the highest number of goals in a minute • Target practice with points for the different areas the bean bag / ball lands in • Running around the field and timing everyone – averages, fastest, slowest, range etc • Speed stacking competition for the whole school including teachers <p><i>Measuring</i></p> <ul style="list-style-type: none"> • Design a course for people to run around that is exactly half a mile long • Measure the hall, playground, classroom etc • Lots of cooking links <p><i>Quizzes</i></p> <ul style="list-style-type: none"> • Start each day with a maths quiz • Have a mixed age maths quiz • Invite the parents in to take part in a maths quiz • Invite the parents in to play "Am I smarter than a 7 year old?" • Write maths quizzes for the younger children
<p><i>Issue for next Council:</i></p> <p>Planning a special Roald Dahl World Book Day for the whole school</p>	
<p>Conclusion and thanks</p>
