

Agenda and findings for the fifth Whole School Council Meeting

7th March 2018

<p>Welcome to the fifth School Council, reminder of who is who.</p>	<p>Special Events</p> <ul style="list-style-type: none">● Having a science day / week● An experiment day with different experiments set up around the school● Having a guest scientist to run a session for each class● Giving every class a science experiment to do over the weekend for homework● School trip to the Science Museum <p>Competitions</p> <ul style="list-style-type: none">● Who can make the highest flying rocket● Which class can create the biggest explosion / volcano● Who can grow the tallest sunflower● Who can make an object out of paper that will fly the furthest● Who can build the tallest tower● Who can find out the most interesting science fact● Have a school quiz with mixed age teams <p>Special time</p> <ul style="list-style-type: none">● Have a special day / week each season to look at the plants around school● Have a different topic each season that every class does for a week● Invite parents in to do experiments with their children for an afternoon● Invent a time machine to study time... <p>Other ideas</p> <ul style="list-style-type: none">● A science wall of questions and answers / facts● Science posters to put up around the school● Have a science area in the wildlife garden● Have a pond to study creatures● Plant an appropriate tree for each class – Ash, Cedar etc.● Dress as a famous scientist for a day● Have a science club
<p>We would like to raise the profile of Science in the school, how can we make Science the big talking point?</p> <p>Things to think about:</p> <ul style="list-style-type: none">⊕ Special events⊕ Competitions⊕ Special time for science⊕ Any other ways of making science more obvious around the school	
<p>1) Issue for the next Council:</p> <ul style="list-style-type: none">○ Planning a special day for the summer	
<p>2) Conclusion and thanks</p>
